**AMEN'**. = This word, with slight differences or orthography, is in all the dialects of the Assyrian stock. As a verb, it signifies to confirm, establish, verify; to trust, or give confidence; as a noun, truth, firmness, trust, confidence; as an adjective, firm, stable. In English, after the oriental manner, it is used at the beginning, but more generally at the end of declarations and prayers, in the sense of, be it firm, be it established. **Websters 1828 dictionary**
