Definition of Doting

Jeremiah 20:7-9

2 John 1:9

1 Thessalonians 5:15-23

doctrine

1) A principle or body of principles presented for acceptance or belief, as by a religious, political, scientific, or philosophic group; dogma.

2) A rule or principle of law, especially when established by precedent.

3) A statement of official government policy, especially in foreign affairs and military strategy.

4) Archaic Something taught; a teaching.

American Heritage Dictionary

circumspect

Heedful of circumstances and potential consequences; prudent.

American Heritage Dictionary

doting

To show excessive fondness or love:
